

CHEMICAL RESISTANT

1, 2, & 3 GALLON TANK SPRAYERS

#150011 - 1 Gallon, 1/cs.

#150012 - 2 Gallon, 1/cs.

#150013 - 3 Gallon, 1/cs.

VERSATILE & EASY MAINTENANCE:

Brass adjustable nozzle offers stream to cone spray patterns, and an easy-to-clean in-line filter ensures hassle-free maintenance

ENHANCED FEATURES & PERFORMANCE:

Improved features and performance, designed for superior functionality, including Viton® seals for long-term chemical resistance and a splash cap to protect the user from vapors and liquids when the top is opened

EFFORTLESS OPERATION:

Pump-less technology with fewer strokes required to pressurize the sprayer, along with auto-pressure release for easy use

COMMERCIAL GRADE DURABILITY:

Commercial grade shut-off with a comfortable grip and lock-on feature, 14" non-corrosive poly wand, and 36" reinforced hose provide long-lasting durability and reliability

CONVENIENT FILLING:

Designed with a no-spill funnel top and fill markings along the opaque tank, making refilling easy and mess-free
