

842™ PUMP-UP SPRAYER

#150842

1.6 qt. Capacity
1/cs.

CHEMICAL RESISTANCE:

Equipped with an EPDM rubber O-ring and piston cup, offering broad resistance to many common janitorial chemicals

DURABLE CONSTRUCTION:

Features a heavy-duty metal plunger shaft that will not break like plastic shafts, ensuring long-lasting performance

ADJUSTABLE NOZZLE:

Nozzle easily adjusts from a stream to a fine mist, providing versatility for various applications

EASY REFILLING:

Wide mouth opening allows for quick and hassle-free refills, enhancing convenience

CUSTOMIZATION OPTIONS:

Private labeling available with minimum order quantities, allowing for tailored branding solutions
