- ◆ **HEAVY-DUTY PERFORMANCE:**
Designed for thicker liquids, making it the ideal heavy lifter
- ◆ **ENHANCED DURABILITY:**
Teflon® coated packing seal increases resistance to chemicals
- ◆ **UNIVERSAL FIT:**
Compatible with standard 15, 30, and 55-gallon drums
- ◆ **EFFICIENT & ERGONOMIC:**
Large 22 oz. output per stroke reduces fatigue by minimizing the number of pumps needed
- ◆ **VERSATILE APPLICATIONS**
Suitable for most solvent solutions, water-based products, and thicker liquids like motor oil. **Not recommended for use with corrosive chemicals**
