Urinal Mat by TOLCO

- Komodo mats are on average over 36% less expensive than competitors' products
- Komodo mats' proprietary non-woven material stands up to regular mopping and high traffic use while providing exceptional protection and odor control by wicking moisture to the surface to allow it to rapidly evaporate
- Komodo mats' patent pending design allows for packaging that is on average over 47% smaller than competitors' allowing for twice the number of units to be warehoused or stored in the same amount of space as traditional urinal mats
- Komodo urinal mats are NFSI Certified as HIGH TRACTION, thus reducing the potential for slips and falls
