

ROUNDED MEASURING CUP

#240101

16 oz Natural Rounded Measuring Cup

24/cs

OPTIMIZED DESIGN FOR UTILITY:

The rounded form, reminiscent of kitchen measuring cups, is optimized for janitorial and industrial utility

DEPENDABLE MEASUREMENT SCALE:

Embossed scale in ounces and milliliters for dependable portioning

VERSATILE USAGE:

Great for versatile use with most powders and liquids

SECURE HANDLING & SPILL REDUCTION:

Rugged handle ensures a secure and efficient handling experience, while the drip-reducing pour spout minimizes spills for enhanced cleanliness and accuracy.
