

LUBIN FILL GAUGE

#250099

Liquid Level Gauge for Drums

Natural

6/cs

ACCURATE FILL MONITORING:

Built-in gauge shows precise fill level, preventing overfilling and spills

VERSATILE FIT:

Compatible with 3/4" and 2" drum openings

WIDE APPLICATION RANGE:

Suitable for use with 15, 30, and 55-gallon drums to gauge liquid levels in the top section of the container (does not measure total liquid quantity)
