

SWIVEL FAUCET

#250108

3/4" Polyethylene

White

200/cs

◆ **DIRECT DRUM-TO-BOTTLE FILLING:**

Small diameter opening allows for easy bottle filling directly from the drum

WIDE CHEMICAL COMPATIBILITY:

Fits standard IPS drum threads and is compatible with a wide variety of chemicals

SECURE & ADJUSTABLE FAUCET ASSEMBLY:

Faucet assembly swivels independently of the thread, ensuring a secure fit with the faucet always pointed downward

RECOMMENDED USE:

Suitable for most cleaning solutions. Not intended for use with solvents, hazardous chemicals, or corrosive materials
