SUPERIOR ABSORPTION & SCRUBBING POWER:

The cellulose sponge, paired with a nylon scrubbing pad, excels in absorption and expediently tackles tough spots

GENTLE ON HANDS:

Gentler on hands compared to a scouring pad alone

HIGH WATER ABSORPTION & ECO-FRIENDLY REUSABILITY:

Absorbs an impressive 20 times its weight in water for effective cleaning and is machine washable for eco-friendly reuse

CONVENIENT & PROTECTIVE PACKAGING:

User-friendly packaging; individually wrapped and damp packed.
