

STRIPPER-STOP®

#280149 - 36" White Poly Foam & Fiber
#280150 - 48" White Poly Foam & Fiber
4 Packs of 10

SUPERIOR ABSORPTION:

Super absorbent fibers paired with moisture-proof backing prevent the spread of chemicals and liquids into protected areas

SEAMLESS MOBILITY:

Allows wheeled equipment to roll smoothly between areas, maintaining workflow efficiency

TARGETED CLEANING:

Enables precise cleaning, reducing labor and material usage to only the necessary areas

ECO-FRIENDLY SOLUTION:

Contributes to reduced chemical usage and offers the potential for reuse, supporting sustainability efforts
