

COBWEB DUSTER

STIFF BRISTLE DUSTER

#280181

7" x 7" x 11", Polypropylene & Plastic
12/cs.

COBWEB CAPTURE:

Flagged bristle tips capture cobwebs, securely holding them while dusting

HIGH REACH COMPATIBILITY:

Compatible with any standard Acme threaded pole to reach high areas like ceilings and fans

STIFF YET FLEXIBLE BRISTLES:

Stiff bristles tackle firm, settled dust without marring surfaces, yet flex to fit irregular shapes and tight spaces

COMFORTABLE DUSTING:

The generously sized handle ensures comfortable dusting for lower areas, like window and door frames
