

36" PRO GRABBER

#280224

36" Aluminum/Polycarbonate
Turquoise/Black
6/cs.

EXTENDED REACH CONVENIENCE:

Enjoy the convenience of an additional 36-inch reach that prevents the need to bend down to pick up items

DURABLE CONSTRUCTION:

Constructed with a combination of aluminum and polycarbonate materials for superior performance and long-lasting durability

VERSATILE DESIGN:

The unique design of the 4.5-inch wide jaws allows the grabber to rotate 90°, making it versatile and capable of fitting into awkward spaces with ease

ENHANCED GRIP STABILITY:

Includes textured tips for added stability when gripping slippery items
