

PROSTOP® MAX

MULTI-FUNCTIONAL DOORSTOP

#280290

Yellow TPE

6/cs.

BACK-FRIENDLY DESIGN:

Safely holds doors open without bending over, minimizing the risk of back strain and related injuries

CONVENIENT MAGNET ATTACHMENT:

Features a built-in magnet for easy and secure attachment to any metal surface, ensuring it's always within reach

ACCESSIBLE STORAGE:

The U-shaped taper allows for hanging on doors, providing easy accessibility and simple storage when not in use

VERSATILE AND EFFECTIVE:

Innovative design and unique materials securely hold doors on various surfaces, including commercial carpet
