#320190

Optional Light
6/cs.

#320197

Collapsible Cone
28" x 12.5" x 12.5"
6/cs.

HIGH-VISIBILITY BRIGHT ORANGE COLOR:

Bright orange color increases visibility up to 850 feet in any condition, ensuring heightened safety and awareness

CONVENIENT COLLAPSIBLE DESIGN:

Easily collapses for convenient storage in the clear protective carrying case, offering flexibility in placement and shipping

OPTIONAL HAZARD LIGHT FOR ADDED PROMINENCE:

The optional hazard light, operating on two AA batteries, flashes 130 times per minute for added prominence

DURABLE CONSTRUCTION:

Heavy-duty plastic base and nylon cone are water and chemical resistant, standing up to various environmental challenges

MUTCD COMPLIANT:

Compliant with MUTCD regulations for traffic cones and channeling devices, meeting industry standards
