

A close-up profile of a light-colored horse's head, likely a foal or young horse, looking towards the right. The horse is in a stable, with wooden stall bars visible in the background. The lighting is warm and soft, highlighting the texture of the horse's coat and the details of its face. In the top left corner, the Tolco Corporation logo is displayed, featuring a stylized 'T' with a red and black design, followed by the word 'Tolco' in a bold, black, sans-serif font, and 'CORPORATION' in a smaller, red, sans-serif font below it.
