When it comes to restroom care, the choice is clear — Clearchoice™.

CLEARCHOICE™ FRESH COLLECTION.

Fresh air makes all the difference. Clearchoice™ Fresh brings odor control to restrooms with bright, color-coded products designed to be as easy to manage as they are effective. From wall-mounted dispensers to urinal screens and discreet toilet clips, each product delivers long-lasting fragrance, simple replacement cycles, and a cohesive look that keeps facilities smelling clean and feeling fresh.

CLEARCHOICE™ FRESH SCREENS

Urinal Deodorizer Screens

- Reduces odor at the source with long-lasting fragrance
- Flexible screen design fits most standard urinals
- Bright colors match scents for easy restocking
- Helps reduce splash-back, keeping surrounding areas cleaner

GOOD SMELLS:

CLEARCHOICE™ FRESH DISPENSER

Wall-Mounted Air Freshener

- Consistent odor control in high-traffic restrooms
- Simple wall-mount design, easy to refill and replace
- Color-coded scents for quick identification and stocking
- Compact profile fits discreetly in restroom spaces

ClearChoice™

THE EVERYDAY ESSENTIAL.

ClearChoice™ sponges are all about reliability—whether it's wiping, scrubbing, or soaking up the unexpected. Tough where they need to be, gentle where it matters most.

CLEARCHOICE™ DUAL UTILITY SPONGE

Light & Regular Duty

- Two-in-One Efficiency — Cellulose sponge absorbs spills fast while the scrub pad tackles tough messes
- Softer feel compared to scouring pads alone
- White pad for light duty; green pad for everyday scrubbing

CLEARCHOICE™ CORE PAD

Light & Regular Duty

- Open-web design delivers powerful scrubbing on stainless steel, cookware, and flooring
- Non-rusting material provides a safe alternative to steel wool
- White pad for light-duty cleaning; green pad for routine scrubbing

CLEARCHOICE™ CLASSIC SPONGE

Small / Medium / Large

- Cellulose construction absorbs up to 20x its weight in water
- Machine-washable design supports extended reuse and reduced waste
- Effective for wiping, spill control, and general cleanup tasks
- Available in three sizes to match specific cleaning applications

TOOLS THAT KEEP RESTROOMS RUNNING.

Clearchoice™ tools are built for daily use in the busiest facilities. From high-volume urinals to restroom fixtures, these essentials are trusted by janitorial teams everywhere for their durability, ease of use, and reliable performance. With smart designs that make tough jobs simpler, we're happy to say we're the Clearchoice™.

CLEARCHOICE™ GUARD MAT

Polypyrene 'Valu' Urinal Mat

- Wicking technology masks uric acids and odors, absorbing messes that lead to staining and long-term damage
- Low-profile mat stays in place until it's time to replace
- Disposable and quick to replace during routine service
- Cost-effective solution for high-traffic restrooms
- Compatible with any odor control program, no conflicting scents

CLEARCHOICE™ DELUXE BOWL MOP

Acid-Resistant Toilet Bowl Wand

- Angled head improves maneuverability and access to hard-to-reach areas
- Fuller head scrubs effectively without splashing
- Acid-resistant fibers withstand harsh cleaning chemicals
- Individually wrapped for sanitary storage and transport

CLEARCHOICE™ POWER PLUNGER

Industrial Toilet Plunger

- Extended rubber cup clears blockages faster
- Durable plastic handle is hygienic and easy to clean, unlike traditional wood handles
- Reliable construction stands up to repeated use in high-traffic facilities

THE CORE OF CLEAN.

Soap dispensers are the backbone of restroom hygiene. The Clearchoice™ line offers durable, easy-to-use dispensers built for high-traffic facilities where reliability matters most. With compact options like the CC33 and multiple wall-mount variations, Clearchoice™ makes it simple to standardize across buildings and keep restrooms stocked, consistent, and ready for daily use.

CLEARCHOICE™ CC33 DISPENSER

Mounted 33oz, 1 mL Locking Dispenser

- Removable reservoir and smooth, sealed exterior make cleaning simple; flush-bottom design reduces pinching risk
- Locked lid with proprietary key prevents tampering, while clear window allows quick level checks
- Smooth, consistent dispensing for hand soaps, sanitizers, and conditioners
- Durable construction built for repeat use

CLEARCHOICE™ WALL-MOUNT DISPENSERS

Mounted 50oz, 1 mL Dispenser

- DuPont™ Viton® O-rings stand up to antibacterial soaps for longer-lasting performance
- Clear-view front makes it simple to check soap levels at a glance
- No extra bags or cartridges needed; refill directly and reduce environmental impact
- Designed to meet accessibility standards for safe, universal use
