### NOW MORE THAN JUST URINAL PROTECTION

Komodo™ now delivers complete surface coverage for high-moisture environments.

#220209

#220210

## KOMODO™ URINAL MAT

**Odor & Moisture Control** – Wicks liquid for rapid evaporation and cleaner floors  
**NFSI Certified High Traction** – Helps reduce slips in high-traffic restroom areas

## KOMMODE™ FLEX MAT

**Targeted Splash Protection** – Fits around toilets to capture moisture at the source  
**Quick Peel & Replace** – Pre-cut for fast installation and easy monthly replacement

RESTROOM

#220218

## KOMODO™ DRIP MAT

**Compact Moisture Control** – Ideal for under soap dispensers and sinks to prevent water buildup  
**Low-Profile Surface Protection** – Lies flat and secure protecting surfaces and countertops underneath from reoccurring drips and spills that cause damage over time (8 in. x 7 5/8 in. size)

**ALL KOMODO™ PRODUCTS ARE MADE FROM A PROPRIETARY NFSI CERTIFIED, NON-WOVEN MATERIAL DESIGNED TO WITHSTAND HIGH TRAFFIC, REGULAR MOPPING, AND PROMOTE RAPID MOISTURE WICKING EVAPORATION.**

## KOMODO™ SURFACE MAT ROLLS

**Cut-to-Fit Coverage** – 50 ft. & 100 ft. rolls for customized protection across any space (38 in. width)  
**Peel & Stick Installation** – Adhesive backing keeps even large mats securely in place

#220211 (50 ft.)  
#220212 (100 ft.)
