MODEL 100R™

RATCHETED TRIGGER SPRAYER

#110106, 110107

0.7 mL Output | 28/410 Thread
9 ¼" Dip Tube
700/cs.

RATCHETED COLLAR FOR SECURE LEAK PREVENTION:

These sprayers elevate our standard Model 100™ packaging sprayer by attaching using a “continuous thread” system designed to resist unscrewing and prevent leaks, drips, and spills even more securely

RETAIL READY:

Features a sleek, minimal aesthetic now integrated with a tamper-resistant safety mechanism thanks to the ratcheted neck for enhanced consumer protection

LOW PROFILE & SHIPPING-SAFE:

The flat-top design and durable construction make this an ideal choice for high-volume packaging and safe shipping

USER-FRIENDLY:

Features a versatile nozzle with adjustable spray, stream, and closed settings
