MEET THE

MODEL

560™

BLEACH SPRAYER

TOUGH ENOUGH FOR BLEACH AND HYDROGEN PEROXIDE, SLEEK ENOUGH TO TURN HEADS. DESIGNED FOR HEAVY-DUTY USE, THE MODEL 560™ FEATURES A MODERN, ALL-WHITE LOOK FOR THAT END-USER APPEAL. DELIVERING 1.0 ML PER STROKE, IT COMBINES EFFICIENCY, DURABILITY, AND SIMPLICITY—ALL IN ONE CLEAN PACKAGE.

MODEL 560™

BLEACH SPRAYER

#110705

1.0 mL Output | 28/400 Thread
9 ½" Dip Tube
350/cs.

NEW ITEM

PURPOSE-BUILT FOR BLEACH:

Engineered for diluted bleach and hydrogen peroxide applications, offering reliable performance in tough cleaning environments

MODERN, SLEEK DESIGN:

Clean, all-white design with a sleek shape for ease of use during long cleaning sessions

ENGINEERED FOR TOUGHNESS:

Built to endure heavy-duty use, perfect for professional distribution

VERSATILE AND ADJUSTABLE:

Dispenses 1.0 mL per stroke with a 28/400 thread and 9 ½" dip tube, fitting standard 32 oz bottles. The adjustable nozzle provides a mist spray and an on/off twist to prevent leaks
